America's Canyonlands

7-Day All-Inclusive Escorted Globus Tour

DAY 1: Fly to Las Vegas

Welcome to lively Las Vegas! At 6 pm, meet your traveling companions for a welcome drink. Your Tour Director will prepare you for your upcoming adventure through the scenic canyons. Scout out a great dinner, and maybe visit the casino (but don't use all your cash!) before resting up for tomorrow.

DAY 2: Las Vegas – Zion National Park – Bryce Canyon National Park

This morning, leave the glitter of Las Vegas behind and travel northeast into Utah to visit ZION NATIONAL PARK, the state's biggest and oldest national park. Explore Zion's deep red canyon walls and its oasis that relies on the historic Virgin River – a tributary of the Colorado River running through the park. To the Mormon pioneers, it was a haven of beauty resembling natural temples and cathedrals. Next, continue to BRYCE CANYON NATIONAL PARK, Drive through the park, with photo stops to capture the magnificent contrasts of bright red, yellow, and pink pillars called "hoodoos." Years of erosion have carved colorful sandstone into thousands of spires, arches, and mazes for an unforgettable sight. (B,D)

DAY 3: Bryce Canyon National Park – Moab

Today, continue north and travel further into Utah's Colorado Plateau. Arrive at the town of Moab, an outdoor adventure mecca and the location of geological drama of impressive degrees. Tonight, why not enjoy dinner at one of Moab's restaurants or visit the shops on Main Street? (B)

DAY 4: Moab (Excursion To Arches National Park & Dead Horse Point State Park)

After breakfast, explore the incredible landscape of ARCHES NATIONAL PARK, carved by wind to create more than 2,000 natural sandstone arches, including Balanced Rock, Park Avenue, and Delicate Arch. Later, visit DEAD HORSE POINT STATE PARK, known for the wild mustangs that roamed the area before the turn of the 19th century only to be round-up by cowboys and corralled in the nature-made promontory. Enjoy dramatic scenery as an ever-changing landscape unfolds. This evening is free to enjoy Moab on your own. (B)

DAY 5: Moab – Monument Valley – Grand Canyon National Park

After breakfast, travel south for a special visit to MONUMENT VALLEY NAVAJO TRIBAL PARK, where isolated red buttes surrounded by vast desert bring the American West alive. Join a local Navajo guide for a comfortable 4-WHEEL-DRIVE tour to explore Monument Valley's backcountry. Then, visit Goulding's Lodge for lunch and enjoy authentic Navajo fry bread. Spend some free time exploring Goulding's Trading Post Museum, offering a glimpse into the bygone era of the Old West, the valley's western movie locales, and the area's rich history and culture. Next continue to GRAND CANYON NATIONAL PARK, one of the Seven Natural Wonders of the World drawing more than 5 million visitors a year. After an orientation tour of Grand Canyon Village, arrive at your hotel for a 2-night stay. Be sure to view the canyon's awe-inspiring sunset, followed by Mother Nature's own light show of the starry sky above this designated Dark Sky Park. Tonight, why not enjoy dinner at the historic El Tovar Lodge with its displays of murals depicting the customs of the regional Native American Tribes – the Hopi, the Apache, the Mojave, and the Navajo. (B,L)

DAY 6: Grand Canyon National Park

Today, a full free day to explore Grand Canyon National Park, celebrating its centennial anniversary this year! You may wish to partake in an exciting optional flightseeing trip over the Grand Canyon or explore the rim on foot. Visit Mather Point and the Grand Canyon Visitor Center to learn about the geology of the canyon and enjoy a visually stunning video exploration of the canyon rim to the river—from dawn to dusk. Be sure to visit the Kolb Studio, the 1905 restored family home of the Kolb brothers who created a lasting legacy of exploration photography within the canyon. Another option is to take the popular Rim Walk. Explore at your own pace, perhaps venturing down part of Bright Angel Trail or taking a nature walk with a ranger to learn about the region's native flora and fauna. Tonight, join your Tour Director for a special farewell dinner. (B,D)

DAY 7: Grand Canyon National Park – Las Vegas

All too soon, this wonderful vacation comes to an end. This morning, leave the great canyons behind and join your group on the transfer to Las Vegas McCarran International Airport for your homebound flight. Welcome home!
