Toronto to New York City Niagara Falls – Baseball Hall of Fame The Big Apple

DAY 1: Fly to Toronto, Canada

Upon arrival in Canada's largest city, you'll be transferred to your airport-area hotel. Take some time to freshen up before you join your group on the bus again. Enjoy a welcome dinner atop the 1,815-foot-tall CN Tower with a spectacular view of Toronto's lights. (D)

DAY 2: Toronto – Niagara Falls

Enjoy a leisurely breakfast (included), and grab a second cup of coffee while you get to know your traveling companions before checking out of the hotel. Today, you'll travel to Niagara Falls, the second largest falls on the globe! A visit to the Falls is not complete without an up close and personal view of these magnificent waterfalls. Join your group on the Hornblower Niagara sightseeing CRUISE for a thrilling boat ride to view the thundering falls from river level (ponchos provided!). After checking into your hotel, you'll have some free time to relax, or perhaps visit the beautiful Butterfly Conservatory and Botanical Gardens, Journey Behind the Falls, or ride the Whirlpool Aero Car. Evening is at leisure. (B)

NOTE: Operation of the Niagara Falls sightseeing cruise is subject to favorable weather and/or river conditions. Favorable conditions usually exist from May to mid-October. When conditions are unfavorable, a walking tour through the scenic tunnels will be substituted.

DAY 3: Niagara Falls, Ontario – Cooperstown, NY

Enjoy breakfast at the hotel this morning (included). Then, board the bus to cross the world-famous Rainbow Bridge into United States. Enjoy a stop at Niagara Falls State Park, where you can view the Falls from the NY side and grab some lunch from a snack bar or food cart. Later, head south toward Cooperstown, NY, witness the gorgeous colors that make the Northeast US so famous for its fall foliage. Included dinner stop tonight is at Brooks House of BBQ, home of the largest indoor charcoal barbecue pit in the East! (B,D)

DAY 4: Cooperstown – New York City

It's as American as apple pie... today you visit the National Baseball Hall of Fame and Museum. See collections of baseball artifacts, works of art, literature, photographs and memorabilia which focus on the history of the game over time, its players and those elected to the Hall of Fame. Take your time to explore and learn about the history behind America's favorite pastime. Stroll down Cooperstown's quaint little Main Street and find a place to grab lunch (on your own). Then our coach is headed for New York City! Check into your Times Square Hotel before dinner. (B)

DAY 5: New York City

After breakfast, an Expert Local Guide takes you on a full tour of the city's most famous sights: Times Square, Greenwich Village, the Financial District, Rockefeller Center, Central Park, and Chinatown and more. During your free time in Manhattan, take advantage of all there is to see and do – perhaps a few hours at the Metropolitan Museum of Art, a visit to the Empire State Building, or a Broadway show. Find a great restaurant in this city of great restaurants.

DAY 6: New York City

Enjoy a free day as you explore the city on your own. Lots of time for shopping for souvenirs or making memories with your new friends. A shopping expedition at Bloomingdales? How about a walk on the Brooklyn Bridge or a horse and buggy ride through Central Park? Visit the 9/11 Memorial at "Ground Zero" and pause to remember those who lost their lives there. This evening, gather for a fun farewell dinner at NYC's legendary Italian restaurant in the Theatre District, Carmine's. You may want to skip lunch in anticipation of this incredible meal, served family style. (D)

DAY 7: New York City – Los Angeles

This wonderful trip has come to a close, with great memories and experiences to savor for years to come. Join your group for a transfer to the airport for your flight home to Los Angeles. Then, travel home to the Central Valley on your charter coach. Welcome home!
