DAY 3 – 8: At Sea

Use these days to get to know why a transatlantic cruise on Cunard's Queen Mary 2 is a bucket list journey. Queen Mary 2 is a remarkable flagship, and her style and elegance are legendary. Above all, it's the space she offers and the luxury for you to do as little or as much as you wish which set her apart. If anything perfectly encapsulates Cunard's service and sense of occasion, it is the prized daily ritual: Afternoon Tea served by white-gloved waiters every day in the Queens Room. Indulgent finger sandwiches, scones, and pastries accompany Twinings fine leaf teas as the orchestra provides a melodic backdrop. After dinner, every evening promises a stellar array of entertainment choices. So, whether you're in the mood for music, dance performances or even magic shows, prepare to settle into your seat. Watch the resident Royal Court Singers & Dancers stage dazzling Broadway style productions or abridged Shakespeare performances. One (or more!) of your days at sea be sure to settle into a comfortable seat in the only planetarium at sea. More than this, Illuminations is a luxury 3D cinema and a classical music venue. The planetarium dome can send you on an epic voyage across the solar system, teach you to navigate by the stars, or show other science and natural history films, with up to four screenings on each sea day. With the dome retracted, Illuminations hosts 3D films and stunning concerts and recitals. Feel free to take advantage of Music Week, the theme of this particular voyage. Outstanding on-board musicians will be joined by special guests for wide-ranging performances in venues all around on the ship, while Q&As and workshops will give a unique insight into the world of music across a breadth of genres. (B,L,D)

DAY 9: Southampton, England (Disembarkation)

Located in the picturesque English county of Hampshire, Southampton is a vibrant waterfront city. Once off the ship, hop on your motorcoach for the short ride to Highclere Castle, made famous by the PBS series, Downton Abbey. Stroll the grounds and enjoy your private tour of the celebrated estate featured in this much-loved series. Later, your group travels to London for 2 nights at The Royal Horseguards Hotel. Overlooking the River Thames on the Embankment, The Royal Horseguards Hotel is a perfect base for exploring the many world-famous attractions of London. (B)

DAY 10: London

Today is a free day for you to explore London on your own. With The Royal Horseguards Hotel as your base, you're within easy walking distance of Big Ben, the Houses of Parliament, the London Eye and many more iconic locations! Or, catch a famous double decker bus to get a bird's eye view of the best sights. And, you're just a short taxi ride from Victoria Palace Theatre, where you may want to catch the musical that has taken the country by storm, Hamilton. (B)

DAY 11: London

All too soon, your bucket list journey comes to an end. Join the group transfer to London Heathrow Airport for your flight home. (B)
